FREE MASONS WORK AND FEAST

Blue Ridge Lodge Confers Degree and Entertains Visitors.

Last Friday night was an occasion of a most important nature in Masonic circles in Walhalla. There were three points of importance attached to the special communication called for last Friday night, any one of which would have been sufficient to attract a crowd, but when the three were combined a record attendance was doubly sure.

First: There were five candidates to receive the sublime degree of Master Mason. These were J. G. Hunter, of West Union; Paul L. Steck, Harry R. Hughes, Redmond Fowler and Warren A. Smith, of Walhalla.

Second: The Grand Master of South Carolina, Geo. Twigg, Jr., of Greenville, and the District Deputy Grand Master of the Eleventh District, Elias Earle, of Townville, were present.

Third: During the course of the evening the committee on arrangements announced that supper was ready and the craft was called from labor to refreshment. And refreshment it was, too. No trouble had been spared to supply the wants of the weary workmen.

To the great gratification of the local lodge, the other lodges of the county sent representative delegations, who were heartily received by the local lodge.

The little hall was taxed to its capacity, it being estimated that over 100 were in attendance, but the visitors were kind enough to make themselves free and comfortable as possible.

Many expressions of good will and appreciation were heard on all sides, and it is believed that the evening will be not only a pleasant memory, but an event of lasting good in local Masonic circles.
